Improving the Quality[®]
of Children's Lives

CHARITY GOLF CLASSIC

The Taylor Delk Sickle Cell Foundation presents the 4th annual Tony Delk Charity Golf Classic. On Monday, August 24, join Tony Delk and friends at the Memphis National Golf Club, one of America's most prestigious and fabled golf courses, for a challenging day of golf. The Tony Delk Charity Golf Classic was born out of a commitment to make a difference in the lives of children with sickle cell disease.

Tony Delk, a former NBA player, founded the Taylor Delk Sickle Cell Foundation in 2003. The foundation is named after Tony's 10-year-old daughter who has sickle cell disease. The Taylor Delk Sickle Cell Foundation is a 501 (c)(3) nonprofit organization dedicated to improving the quality of life for children with sickle cell disease and to raising awareness about the disease.

Proceeds fund sickle cell research and programs and services such as newborn screening, genetic counseling, education, emergency grants, scholarships, and a summer camp provided by the Taylor Delk Sickle Cell Foundation. It is our hope that you will choose to partner with us in support of this noble cause by participating and/or sponsoring a fun-filled day of golf.

Help break the Sickle Cycle, and enjoy a round of golf doing it!
